TEXT 33pt

THE WORD VINTAGE WAS FIRST USED IN THE EARLY 15TH CENTURY. IT WAS ADAPTED FROM THE OLD FRENCH VENDAGE (WINE HARVEST) DERIVING FROM THE LATIN VINDEMIA (GRAPE-GATHERING), IN TURN COMING FROM VINUM (WINE) AND DEMERE (TO REMOVE).

TEXT 24Pt

IN MANY WINE REGIONS, ESPECIALLY IN THE NEW WORLD, GROWING SEASONS ARE MUCH MORE UNIFORM.

IN DRY REGIONS, THE SYSTEMATIC AND CONTROLLED USE OF IRRIGATION ALSO CONTRIBUTES TO UNIFORM VINTAGES.

HOWEVER, SUCH WINES ARE REGULARLY LABELED BY VINTAGE BECAUSE OF CONSUMER DEMAND.
